The above details are based on our review of the enterprise records and other documentation provided to us. Based on the procedures conducted for the review period, the financial records of the above mentioned entity reflected an annual turnover less than R10 million. Although the above mentioned is the current level of turnover/ income and is closely related to the economic indicators, it may be more or less in the future. Consequently, this certificate does not serve as a guarantee that the income reflected will continue at the same level.

This certificate is issued in terms of the B-BBEE Codes of Good Practice as issued by the Department of Trade & Industry
